

Jalapeño-Cheddar Drop Biscuits

If you prefer you can use real jalapeño. I can never find them at my store, but always have the canned stuff on hand, which is why I use the pickled ones in this recipe.

- 2 cups [baking mix](#) (or bisquick mix)
- 1/2 cup cheddar cheese
- 2 tablespoons finely chopped pickled jalapeños
- 2/3 cup milk

In a medium-sized bowl mix together baking mix, cheese and jalapeños. Pour milk over and stir just until evenly moistened. Drop by heaping spoonfuls onto parchment-lined baking sheets. Bake at 450°F for 10-12 minutes, until bottoms are golden brown. Serve warm.

Makes approximately: 12 biscuits
